

Swim with Purpose Exclusive Bourbon Barrel Pick | March 14, 2024

Since its launch in April 2023, Swim with Purpose has raised almost 30% of its goal and continues to support the Frankfort community. To continue growth and create new activities, we're excited to announce that Swim with Purpose is partnering with the historic J Mattingly 1845 Distillery for an exclusive bourbon barrel pick event on March 14th, 2024 at 3 p.m. ET at the J Mattingly Distillery, 20 Reilly Rd, Frankfort, KY 40601.

Swim with Purpose's mission resonates with the heart of the community, aiming to raise \$1 million to not only refurbish the indoor pool at the William Exum Center but also to make swimming accessible and enjoyable for all. By participating in this event, attendees will directly support the goal of bringing swimming back to the community, ensuring that future generations can learn, enjoy and excel in swimming.

We're honored to partner with J Mattingly 1845, a distillery with nearly two centuries of bourbon craftsmanship. Known for their custom bourbon blending, they offer an experience as unique as it is deeply rooted in Kentucky's bourbon tradition. Their involvement in this charitable event is a testament to their commitment to the community and willingness to support meaningful causes, and we can't thank them enough.

The Swim With Purpose Board of Directors will blend their own bourbon (with the help of J Mattingly distillers). A very limited amount of numbered bottles will be available for people who donate \$160 or more to Swim With Purpose. This event is more than just a fundraiser; it celebrates community, heritage and giving back.
